

## Contacting the San Onofre Nuclear Generating Station

Representatives of Southern California Edison (SCE) and the San Onofre Nuclear Generating Station are available to provide customers, community leaders and area journalists with information about the power plant. We look forward to assisting you.

### Mailing Addresses

- San Onofre Nuclear Generating Station, P.O. Box 128, San Clemente, Calif. 92674-0128
- Southern California Edison, P.O. Box 800, Rosemead, Calif. 91770

### SCE Switchboard

- To contact an SCE representative or ask that they be paged to your phone number – (626) 302-1212

### San Onofre Plant Communications

- Liese Mosher, (949) 368-9750, [liese.mosher@sce.com](mailto:liese.mosher@sce.com)

### San Onofre Plant Media Relations

- Gil Alexander, (626) 302-7835, [gil.alexander@sce.com](mailto:gil.alexander@sce.com)
- Steve Conroy, (626) 302-1712, [steve.conroy@sce.com](mailto:steve.conroy@sce.com)
- SCE's 24/7 media relations hot line, (626) 302-2255

### San Onofre Plant Community Relations

- Barbara Culverhouse, (949) 368-3345, [barbara.culverhouse@sce.com](mailto:barbara.culverhouse@sce.com)
- Chris Abel, 949-368-3319, [christopher.abel@sce.com](mailto:christopher.abel@sce.com)

### Plant Community Website

- English – [www.SONGScommunity.com](http://www.SONGScommunity.com)
- Spanish – [www.comunidadsongs.com](http://www.comunidadsongs.com)

### San Onofre Plant Online Tour

- [www.sce.com/songs](http://www.sce.com/songs)

### In the Unlikely Event of a Nuclear Emergency

- Journalists would be directed to an emergency news center established by SCE and its community and state partners at the utility's Saddleback Service Center, 14155 Bake Parkway, Irvine, Calif. Plant status updates, as well as technical briefings, would be available throughout the emergency.
- Journalists also could call the company's 24/7 media hotline for information and interviews – (626) 302-2255.

## SCE Speakers for Educational and Community Events

- Debbie Knight, for SCE speakers on nuclear generation, (949) 368-3526, [debbie.knight@sce.com](mailto:debbie.knight@sce.com)
- Iris Hosea, for SCE speakers on other topics such as electricity safety, renewable and alternative energy, and energy efficiency and conservation, (626) 302-7929, [iris.hosea@sce.com](mailto:iris.hosea@sce.com)

### SCE General Customer Service

- (800) 655-4555 for service issues
- (800) 611-1911 for power outages
- [www.sce.com](http://www.sce.com)

### SCE Liaison with Orange County Supervisors and Agencies

- Frank Wasko, (714) 973-5573, [frank.wasko@sce.com](mailto:frank.wasko@sce.com)

### Liaison with California Government Officials

- Kelly Boyd, (916) 551-1376, [kelly.e.boyd@sce.com](mailto:kelly.e.boyd@sce.com)

### Liaison with U.S. Government Officials

- Amy Pressler, (202) 393-3075, [amy.pressler@edisonintl.com](mailto:amy.pressler@edisonintl.com)

## Contacting the Nuclear Regulatory Commission Public Affairs Office

- The U.S. Nuclear Regulatory Commission was created as an independent agency by the U.S. Congress in 1974 to enable the nation to safely use radioactive materials for beneficial civilian purposes while ensuring that people and the environment are protected.
- Victor Dricks, (817) 860-8128, [vld@nrc.gov](mailto:vld@nrc.gov), [www.nrc.gov](http://www.nrc.gov)

## Contacting the Nuclear Energy Institute

- The Nuclear Energy Institute is the policy organization of the nuclear energy and technologies industry and participates in both the national and global policy-making process.
- Steve Kerekes, (202) 739-8073, [sck@nei.org](mailto:sck@nei.org), [www.nei.org](http://www.nei.org)
